## MASTER ACCOUNT AGREEMENTS AND DISCLOSURES

This Agreement is the contract of deposit that covers your and our rights and responsibilities concerning Membership and Account(s) offered to you. In this Agreement, the words "you" and "yours" mean those who sign the Membership Application. The words "we," "us," and "our" mean Corner Stone Credit Union ("Credit Union"). The word "account" means any one or more accounts you have with the Credit Union. The classification and form of ownership of your accounts are designated on your Membership Application.

By signing the Membership Application that is a part of the Agreement, or by establishing and using the account, each of you, jointly and severally, agrees to the terms and conditions in this Agreement, including the Member Account Agreement, Truth-in-Savings Account Disclosures, Fee Schedule, Funds Availability Policy, Electronic Funds Transfer Agreement, Privacy Policy, any account receipt, the Credit Union's bylaws and policies, and any amendments which collectively govern your Membership and Accounts. You agree that additional accounts and services you request in the future will be governed by this Agreement as amended from time to time.

### MEMBERSHIP AND ACCOUNTS

**Membership Eligibility.** To be eligible for membership in the Credit Union you must be an individual or entity qualifying within the Credit Union's field of membership, must have a valid Social Security Number (SSN) or Tax Identification Number (TIN), and must purchase and maintain at least one share as required by Credit Union Bylaws. You authorize us to check your account, credit, and employment history and obtain a credit report from third parties, including credit reporting agencies, to verify your eligibility for the accounts and services you request.

**Individual Accounts.** An individual account is an account owned by one depositor, including any individual, corporation, partnership, trust, or other organization qualified for Credit Union membership. If the account is an individual account, the interest of a deceased individual owner will pass, subject to applicable law, to the decedent's estate or payable on death (POD) beneficiary, if applicable.

**Joint Accounts.** A joint account is an account owned by two (2) or more persons. A joint account including POD and trust accounts, are subject to the Multiple Party Deposit Account Act, N.J.S.A.17:161-1 et seq. (P.L. 1979, C.491). The credit union shall have no liability for payments made pursuant to the Act. Each owner has a present right to payment from the account. Each owner owns his or her net contribution to the account. Absent proof of net contribution or a specific agreement to the contrary, each party will own an equal share of the account.

**Rights of Joint Business Account Owners.** Any joint business account owner is authorized and deemed to act for the other owner(s) and the Credit Union may accept orders and instructions regarding the account and requests for future services from any other account owner. Each account owner guarantees the signature of the other owners. Any account owner may withdraw all funds in the account, stop payment on items drawn on an account, withdraw, or pledge all or any part of the shares of any account, including funds representing a membership share, without the consent of the other account owner(s) and the Credit Union shall have no duty to notify any other joint account owner(s). If the Credit Union receives written notice of a dispute between account owners or receives inconsistent instructions from them, the Credit Union may suspend or terminate the account, require a Court order to act, or require that all joint account owners agree in writing to any transaction concerning the account.

**Joint Business Account Owner Liability.** If any item deposited in a joint business account is returned unpaid or an account is overdrawn, or if we do not receive final payment on any transaction, each of the multiple business account owners is jointly and severally liable to the Credit Union for the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who created the overdraft, deposited or cashed the item or benefited from the transaction. If any account owner is indebted to the Credit Union, the Credit Union may enforce its rights against any or all funds in the joint account regardless of who contributed the funds to the joint account.

**Rights of Survivorship.** If your account is a joint account, you can elect to a joint account with rights of survivorship or without rights of survivorship. With rights of survivorship, upon the death of one of the joint account owners, that person's interest will become the property of the surviving joint account owners. Without rights of survivorship, upon the death of one of the joint account owners, that person's interest will become the property of the designated P.O.D if one has been made.

**Rights of Joint Account Owners.** Any joint account owner is authorized and deemed to act for the other owner(s) and the Credit Union may accept orders and instructions regarding the account and requests for future services from any other account owner. Each account owner guarantees the signature of the other owners. **Any account owner may withdraw all available funds in the account, stop payment on items drawn on an account, withdraw, or pledge all or any part of the funds of any account, including funds representing a membership share, without the consent of the other account owner(s)** and the Credit Union shall have no duty to notify any other joint account owner(s). If the Credit Union receives written notice of a dispute between account owners or receives inconsistent instructions from them, the Credit Union may suspend or terminate the account, require a court order to act, or require that all joint account owners agree in writing to any transaction concerning the account.

**Joint Account Owner Liability.** If any item deposited in a joint account is returned unpaid or an account is overdrawn, or if we do not receive final payment on any transaction, each of the multiple account owners is jointly and severally liable to the Credit Union for the amount of the returned item, overdraft, or unpaid amount, and any charges and transaction, regardless of who created the overdraft, deposited or cashed the item, or benefited from or initiated the transaction. A joint owner shall be responsible for returning any unused checks or access devices from any joint owner removed from the account. If any account owner is indebted to the Credit Union, the Credit Union may enforce its rights against any or all funds in the joint account regardless of who contributed the funds to the joint account.

**Payable on Death (POD) Account Designations.** A Payable on Death (POD) account is an account held in the name of one (1) or more persons as owner or owners for one or more persons designated as beneficiaries. The account and any balance thereof is subject to the following: a) during your lifetime you may withdraw the money in the account; b) by written direction to the credit union, you may change the beneficiary or beneficiaries; and c) upon your death the money remaining in the account will belong to the beneficiary or beneficiaries, and the money will not be inherited by your heirs or be controlled by your will. Any POD beneficiary designation shall not apply to Individual Retirement Accounts (IRAs). We are not obligated to notify any beneficiary of the existence of any account or the vesting of a beneficiary's interest in any account, except as otherwise provided by law.

**Accounts for Minors.** For any account established by or for a minor, the Credit Union reserves the right to require the minor account owner to have his or her Social Security Number (SSN) or Tax Identification Number (TIN) and to have a parental joint account owner who is at least eighteen (18) years of age, who shall be jointly and severally liable to the Credit Union for any returned item, overdraft, or unpaid charges or amounts on such account. For a joint account, all funds in the account shall be owned as a joint account with rights of survivorship. The Credit Union may make payments of funds directly to the minor without regard to his or her minority. The Credit Union has no duty to inquire of the use or purpose of any transaction by the minor or joint account owner. The Credit Union will not honor any transaction request by a parent or guardian who is not a joint account owner. The minor account owner's Social Security Number (SSN) or Tax Identification Number (TIN) must be shown on the account.

**UNIFORM TRANSFERS/GIFTS TO MINORS ACCOUNT -** A Uniform Transfers/Gifts to Minors Account (UTMA/TUTMA) is an individual account created by a custodian who deposits funds as an irrevocable gift to a minor. The minor to whom the gift is made is the beneficiary of the custodial property in the account. The custodian has possession and control of the account for the

exclusive right and benefit of the minor and, barring a court order otherwise, is the only party entitled to make deposits, withdrawals, or close the account. We have no duty to inquire about the use or purpose of any transaction. If the custodian dies, we may suspend the account until we receive instructions from any person authorized by law to withdraw funds or a court order authorizing withdrawal.

**AGENCY DESIGNATION ON AN ACCOUNT** - An agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or credit union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent.

**Accounts for Businesses and Organizations.** Accounts held in the name of a business, organization, or association member are subject to the same terms set forth in this Agreement and the following additional rules. The Credit Union reserves the right to require the business member to provide a Membership Application informing the Credit Union who is authorized to act on its behalf. No POD beneficiary designation or other designation shall apply to the account unless your SSN is used as the primary tax identification number for the account. You agree to notify the Credit Union of any change in authority. The Credit Union may rely on the written authorization until such time as the Credit Union is informed of changes in writing and has had reasonable time to act upon such notice. The Credit Union may require that third-party checks payable to a business not be cashed, but must be deposited to a business account. The Credit Union shall have no notice of any breach of fiduciary duties arising from a transaction by any agent of the account owner, unless the Credit Union has actual notice of any wrongdoing.

**Deposit of Funds Requirement.** Funds may be deposited to any account in any manner approved by the Credit Union in accordance with the requirements set forth in the Truth-in-Savings Disclosure. Deposits may be made by mail, at night depositories, or at unstaffed facilities. Deposits at unstaffed facilities are not our responsibility until we receive them. We reserve the right to refuse or to return any deposit.

**Endorsements.** You authorize the Credit Union, at its discretion, to accept transfers, checks, drafts, and other items for deposit into any of your accounts, whether or not they are endorsed by all payees. You authorize the Credit Union to supply missing endorsements if the Credit Union chooses to supply such endorsements. The Credit Union reserves the right to verify all endorsements on third-party checks presented for deposit, either in person or by comparison with member signature files. If insurance, government, and certain other checks or drafts require an endorsement as set forth on the back of the check, the Credit Union may require endorsement as set forth on the check. Endorsements must be placed in the space on the back of the check between the top edge and one and a half inches from the top edge. The Credit Union may accept drafts or checks with endorsements outside this space. However, if any such endorsements or other markings you or any prior endorser make on the check cause any delay or error in processing the item for payment, you will be responsible for any loss incurred by the Credit Union due to the delay or error.

**Collection of Items.** The Credit Union shall not be responsible for deposits made by mail or at an un-staffed facility until the Credit Union actually receives them. In handling items for deposit or collection, the Credit Union only acts as your agent and assumes no responsibility beyond the exercise of ordinary care. The Credit Union will not be liable for default or negligence of any correspondent or for loss in transit, and each correspondent will only be liable for its own negligence. The Credit Union reserves the right to send any item for collection.

**Final Payment.** All items or Automated Clearing House (ACH) transfers credited to your account are provisional and subject to our receipt of final payment. If final payment is not received, we reserve the right to charge your account for the amount of those items or ACH transfers and impose a return charge on your account. After we have received final payment, we refer to these deposits as collected items. If the Credit Union incurs any fee to collect any item, the Credit Union may charge such a fee to your account. The Credit Union reserves the right to refuse or to return all or any item or funds transfer. The Credit Union shall have the right to charge back against your account all previously deposited items or other items endorsed by you that are returned to the Credit Union unpaid, regardless of whether the amount of the item has been available for your use.

**Direct Deposits.** The Credit Union may offer direct deposit options allowing you to preauthorize deposits (i.e. payroll checks, Social Security or retirement checks, or other government checks) or preauthorize transfers from other accounts at the Credit Union. You must authorize any direct deposits to your accounts by a separate authorization. If applicable, you must notify the Credit Union at least thirty (30) days prior to any direct deposit or preauthorized transfer if you wish to cancel or change the direct deposit or direct transfer option. Upon filing of bankruptcy, if you fail to cancel any direct deposit

authorization, you instruct your employer and the Credit Union to make and apply direct deposits in accordance with your authorization on file with the Credit Union. If the Credit Union is required to reimburse the U.S. government for any benefit payment directly deposited into your account for any reason, you agree the Credit Union may deduct the amount returned from any of your accounts, unless prohibited by law.

**Crediting of Deposits.** Deposits made on Sundays and Credit Union holidays will be credited to your account on the next business day. Deposits received at un-staffed facilities such as night depositories and automated teller machines (ATMs) will be credited on the day funds are removed and processed by the Credit Union. Items drawn from an institution located outside the United States are handled on a collection basis only. Amounts will be credited to your account when we receive final payment. You waive any notice of nonpayment, dishonor, or protest regarding any items purchased or received by the Credit Union for credit to your account or for collection.

## ACCOUNT ACCESS

**Authorized Signature.** Your signature on the Account Card authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor any check or draft that appears to bear your facsimile signature even if it was made by an unauthorized person. You authorize us to honor transactions initiated by a third person to whom you have given your account number even if you do not authorize a particular transaction.

**Access Options.** You may withdraw or transfer funds from your account(s) in any manner we permit (e.g., at an automated teller machine, in person, by mail, Internet access, automatic transfer, or telephone, as applicable). We may return as unpaid any check or draft drawn on a form we do not provide, and you are responsible for any loss we incur handling such a check or draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We are under no obligation to honor any power of attorney.

**ACH and Wire Transfers.** Except as amended by this Agreement, electronic funds transfers we permit that are subject to Article 4A of the Uniform Commercial Code will be subject to such provisions of the Uniform Commercial Code as enacted by the state where the main office of the credit union is located. We may execute certain requests for electronic funds transfers by Fedwire. Fedwire transactions are subject to Federal Reserve Board Regulation J. You may order electronic funds transfers to or from your account. We will debit your account for the amount of an electronic funds transfer and will charge your account for any fees related to the transfer. Unless we agree otherwise in writing, we reserve the right to refuse to execute any order to transfer funds to or from your account. We are not obligated to execute any order to transfer funds out of your account if the amount of the requested transfer plus applicable fees exceeds the available funds in your account. We are not liable for errors, delays, interruptions or transmission failures caused by third parties or circumstances beyond our control including mechanical, electronic or equipment failure. We will not provide you with next day notice of ACH, wire transfers and other electronic payments credited to your account.

You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received. If we fail to properly execute a payment order, and such action results in a delay in payment to you, we will pay you dividends or interest for the period of delay as required by applicable law. The dividends or interest paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period. Payment orders we accept will be executed within a reasonable time of receipt but may not necessarily be executed on the date they are received. Cut-off times may apply to the receipt, execution and processing of funds transfers, payment orders, cancellations, and amendments and, if received after a cut-off time, may be treated as having been received on the next following funds transfer business day. Information about any cut-off times is available upon request. When you initiate a wire transfer, you may identify the recipient and any financial institution by name and by account or identifying number. The credit union and any other financial institutions facilitating the transfer may rely strictly on the account or identifying number even if the number identifies a different person or financial institution. Any account owner may amend or cancel a payment order even if that person did not initiate the order. We may refuse requests to amend or cancel a payment order that we believe will expose the credit union to liability or loss. Any request to amend or cancel a payment order that we accept will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order. We may require you to follow a security procedure to execute a payment order or certain electronic funds transfer transactions. We will notify

you of any such security procedures and you agree that our security procedures are commercially reasonable.

**Credit Union Examination.** The Credit Union may disregard information on any check other than the signature of the drawer and amount of the item and any magnetic encoded information. You agree that the Credit Union does not fail to exercise ordinary care in paying an item solely because its procedures do not provide for sight examination of items.

## SUBSTITUTE CHECKS AND YOUR RIGHTS

As our member we think it's important for you to know about substitute checks. The following Substitute Check Disclosure provides information about substitute checks and your rights. So you will recognize substitute checks when you receive them, we have included a copy of the front side of a substitute check along with an explanation of the substitute check's components.

**What is a substitute check?** To make check processing faster, federal law permits financial institutions to replace original checks with "substitute checks." These checks are similar in size to original checks. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in the notice do not apply to original checks or to electronic debits to your account.

**What are my rights regarding substitute checks?** In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

**How do I make a claim for a refund?** If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at:

(972) 218-9266  
or write to:  
Corner Stone Credit Union  
130 Historic Town Square  
Lancaster, TX 75146

You must contact us within 60 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include –

- ❖ A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- ❖ An estimate of the amount of your loss;
- ❖ An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- ❖ A copy of the substitute check or the following information to help us identify the substitute check: the check number, the amount of the check, the date of the check, and the name of the person on the check.

These numbers correspond with the numbers on the Substitute Check Image

1. An image of the original check appears in the upper right-hand corner of the substitute check.
2. A substitute check is the same size as a standard business check.
3. The information in asterisks relates to the "reconverting financial institution"- the financial institution that created the substitute check.
4. The information in brackets (appears sideways facing check image) relates to the "truncating financial institution" – the financial institution that took the original check out of the check processing system.
5. The Legal Legend states: This is a **LEGAL COPY OF YOUR CHECK**. You can use it the same way you would use the original check.
6. The MICR lines at the bottom of image of the original and at the bottom of the substitute check are the same except for the "4" at the beginning of the MICR line on the substitute check, which indicates that it is a substitute check being moved forward for collection purposes. It is also possible for the MICR line on the substitute check to begin with a "5" if the item is being returned. The rest of the MICR line is the same as the original check to ensure that it is processed as though it were the original.

## ELECTRONIC CHECK TRANSACTIONS

**Electronic Checks.** If you authorize a merchant to electronically debit your checking account using the routing, account, and serial number of your check to initiate the transfer, whether the check is blank, partially or fully completed and signed, such authorization is an electronic check conversion. An electronic check conversion is an electronic funds transfer (EFT) subject to the terms of the Electronic Funds Transfer Agreement. You authorize us to honor any electronic check conversion from your checking account.

**Electronic Re-presented Checks.** If you write a check on a personal account that we return unpaid because of insufficient or uncollected funds, payee or any subsequent holder of the check may re-present the check to us, through an electronic instruction ("Electronic Re-presented Check") to charge your account for the amount of the check. If we receive an electronic re-presented check, we will pay or return the electronic re-presented check as if the original paper check was presented to us. Any collection fee you authorize the merchant to debit from your account is an electronic funds transfer subject to the terms of the Electronic Funds Transfer Agreement. If you want to reverse an electronic re-presented check, you must give us an affidavit within fifteen (15) days after we send or make available to you the periodic statement that reflects payment of that electronic re-presented check. In your affidavit, you must declare and swear under oath that the electronic re-presented check was ineligible or unauthorized. If we receive a proper notice of affidavit from you within the 15-day period, we will recredit your account with the amount of the charge. If you wish to stop payment of any electronic re-presented check, you must follow the procedures for stopping payment of checks, not the procedures for stopping payment on electronic loan or bill payments. If you ask us to request the depositor's bank to send us the original paper check or a copy of the paper check, and we provide it to you, you agree that you will not seek to have your account re-credited due to a prior stop payment order or if the item is otherwise ineligible for collection.

**Account Rates and Fees.** The Credit Union's payment of dividends on any account is subject to the account rates and fees, earnings, payment, and balance requirements as set forth in the "Account Disclosure" and "Fee Schedule." You agree that the Credit Union may impose fees and charges for the deposit account services provided by the Credit Union. A current "Fee Schedule" has been provided to you separately. You agree the Credit Union may change the "Account Disclosure" and "Fee Schedule" from time to time and you will be notified of such changes as required by law

## TRANSACTION LIMITATIONS

**Withdrawal Restrictions.** The Credit Union will permit a withdrawal only if you have sufficient available funds in your account to cover the full amount of the withdrawal or have an established overdraft protection plan. Drafts or other transfer or payment orders that are drawn against insufficient available funds will be subject to a service charge set forth in the "Fee Schedule." If there are sufficient available funds to cover some but not all of your withdrawal orders, the Credit Union may allow those withdrawals for which there are sufficient available funds in any order at the Credit Union's discretion. The Credit Union may also refuse to allow a withdrawal in other cases, for example, any dispute between the owners about the account (unless a court has ordered the Credit Union to allow the withdrawal); a legal garnishment or attachment is served; the account secures an obligation to the Credit Union; any required documentation has not been presented; or you fail to repay a Credit Union loan on time. You will be advised of the reasons for refusal if such action is taken. The Credit Union reserves the right to require members to give notice in writing of any intended withdrawals from any account (except checking accounts) of no less than seven (7) days and up to sixty (60) days, as required by law, before such withdrawal.

**Transfer Limitations.** We may limit the dollar amount or the number of transfers from your account. See your Truth-in-Savings Disclosure or your Electronic Funds Transfer Agreement and Disclosure.

## OVERDRAFTS

**Overdraft Liability.** If on any day, the available funds in your share draft checking account are not sufficient to cover checks and other items posted to your account, those checks and items will be handled in accordance with our overdraft procedures or an overdraft protection plan you have with us. The Credit Union's determination of an insufficient account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one review of the account required. The Credit Union has no duty to notify you of an insufficient funds item. The Credit Union may charge a fee for an insufficient funds item whether paid or returned as set forth in the "Fee Schedule." Except as otherwise agreed to in writing, the Credit Union, by covering one or any overdraft, does not agree to cover overdrafts in the future and may discontinue covering overdrafts at any time. If the Credit Union pays an item that would otherwise overdraw your account, you agree to pay the overdraft amount immediately. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor bank extra time beyond any midnight deadline limits.

**Order of Payments.** Checks, drafts, items and other transactions may not be processed in the order that you make them or in the order that we receive them. We may, at our discretion, pay a check, draft or item and execute other transactions on your account in any order we choose. The order in which we process checks, drafts and items and execute other transactions on your account may affect the total amount of overdraft fees that may be charged to your account. Please contact us if you have questions about how we pay checks or drafts and process transfers and withdrawals.

**Understanding Your Account Balance.** Your Checking account has two kinds of balances: the actual balance and the available balance.

- ❖ **Actual Balance** – Your actual balance reflects the full amount of all deposits to your account as well as payment transactions that have been posted to your account. It does not reflect checks you have written and are still outstanding or transactions that have been authorized but are still pending.
- ❖ **Available Balance** – Your available balance is your actual balance less: (1) holds placed on deposits; (2) holds on debit card or other transactions that have been authorized but are not yet posted; and (3) any other holds, such as holds related to pledges of account funds, minimum balance requirements, or to comply with court orders.

We use your available balance to determine whether there are sufficient funds in your account to pay items, including checks and drafts, as well as ACH, debit card and other electronic transactions. You may check your available balance online, mobile banking or by calling a branch.

**Postdated and Stale dated Items.** You authorize us to accept and pay any check, even if the check is presented for payment before its date, unless you notify the Credit Union of the postdating. Your notice will be effective only if the Credit Union receives the notice in time for the Credit Union to notify its employees and reasonably act upon the notice. You must accurately describe the check, including the number, date, and amount. You understand that the exact information is necessary for the Credit Union's computer to identify the check. If you give the Credit Union an incorrect, incomplete, or untimely notice, the Credit Union will not be responsible for paying the item before the date

stated and the Credit Union may charge your account as of the date the Credit Union pays the item. You may make an oral notice, which will lapse within fourteen (14) days, unless continued in writing, within that time. A written notice will be effective for twelve (12) months. A written notice may be renewed in writing from time to time. You also agree not to deposit checks, drafts, or other items before they are properly payable. The Credit Union is under no obligation to you to pay a check or draft drawn on your account that is presented more than six (6) months after its date.

## STOP PAYMENT ORDERS

**Stop Payment Request.** You may ask the Credit Union to stop payment on any check drawn upon your checking account. You may request a stop payment by telephone, by mail, fax or in person. The stop payment will be effective if the Credit Union receives the order in time for the Credit Union to act upon the order and you state the number of the account, date, and number of the check and its exact amount. If you give the Credit Union incorrect or incomplete information, the Credit Union will not be responsible for failing to stop payment on the item. If the stop payment order is not received in time for the Credit Union to act upon the order, the Credit Union will not be liable to you or to any other party for payment of the item. If we re-credit your account after paying a check over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to transfer all of your rights against the payee or other holders of the check to the Credit Union, and to assist the Credit Union in legal action taken against the person.

**Duration of Order.** You may make an oral stop payment order, which will lapse within fourteen (14) calendar days unless continued in writing within that time. A written stop payment order will be effective for 6 months. A written stop payment order may be renewed in writing from time to time. The Credit Union is not obligated to notify you when a stop payment order expires.

**Liability.** The Credit Union may charge a fee for each stop payment order requested, as set forth in the "Fee Schedule." You may not stop payment on any certified check or draft, cashier's check or teller's check, or any other check, draft, or payment guaranteed by the Credit Union. You should be aware that while payment of the item may be stopped, you may remain liable to any person, including the Credit Union, who is a holder of the item despite the stop payment order. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney fees, damages, or claims related to the Credit Union's action in refusing payment of an item, including claims of any multiple party account owner, payee, or endorsee in failing to stop payment of an item as a result of incorrect information provided by you.

**Lost Items.** The Credit Union, in receiving items from you for withdrawal or deposit, acts only as your agent and reserves the right to reverse the credit for any deposited items or to charge your account for the items, should they become lost in the collection process.

**Credit Union's Liability for Errors.** If the Credit Union does not properly complete a transaction according to this Agreement, the Credit Union will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. The Credit Union will not be liable if: (a) through no fault of the Credit Union, your account does not contain enough money to make the transaction; (b) circumstances beyond the Credit Union's control prevent the transaction; (c) your loss is caused by your negligence or the negligence of another financial institution; or (d) the money in your account is subject to a legal process or other claim. The Credit Union will not be liable for consequential damages except liability for wrongful dishonor. The Credit Union's actions will constitute the exercise of ordinary care if such actions or non-actions are consistent with applicable state law, Federal Reserve regulations and operating letters, clearing house rules, and general banking practices followed in the area serviced by the Credit Union. You grant the Credit Union the right, in making payments of deposited funds, to rely on the form of the account and the terms of this Account Agreement. Any conflict between oral representations by you or Credit Union employees and any written form will be resolved by reference to this Agreement and applicable written form.

**Remotely Created Checks.** For purposes of this paragraph, "account" means a transaction account, credit account, and any other account on which checks (share drafts) may be drawn. A remotely created check is a check created by someone other than the person on whose account the check is drawn. A remotely created check is generally created by a third party payee as authorized by the owner of the account on which the check is drawn. Authorization is usually made over the telephone or through on-line communication. The owner of the account does not sign a remotely created check. In place of the owner's signature, the remotely created check usually bears a statement that the owner authorized the check or bears the owner's printed or typed name. If you authorize a third party to draw a remotely created check against your account, you may not later revoke your authorization. It is your responsibility to resolve

any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check for which the third party has proof of your authorization.

**Credit Union Lien and Security Interest.** To the extent you owe the Credit Union money as a borrower, guarantor, endorser, or otherwise, the Credit Union has a lien on any or all the funds in any account in which you have an ownership interest at the Credit Union, regardless of the source of the funds. The Credit Union may apply these funds in any order to pay off your indebtedness. If the Credit Union chooses not to enforce its lien, the Credit Union does not waive its right to enforce the lien at a later time. In addition, you grant the Credit Union a consensual security interest in your accounts and agree the Credit Union may use the funds from your accounts to pay any debt or amount owed the Credit Union, except obligations secured by your dwelling, unless prohibited by applicable law. All accounts are non-transferable to third parties. All accounts may not be assigned without our prior written consent.

**Legal Process.** If any legal action, such as a levy, garnishment, or attachment, is brought against your account, the Credit Union may refuse to pay out any money from your account until the dispute is resolved. If the Credit Union incurs any expenses or attorney fees in responding to legal process, such expenses may be charged against your account without prior notice to you, unless prohibited by law. Any legal process against your account is subject to the Credit Union's lien and security interest.

**Account Information.** Upon your request, the Credit Union will inform you of the name and address of each credit reporting agency from which the Credit Union obtains a report in connection with your account. The Credit Union agrees not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; (4) as disclosed in our Privacy Notice Disclosure with Opt Out; or (5) you give us written permission.

The Credit Union will notify you of any changes in account terms, rates, or fees as required by law. Changes in account ownership, such as adding or removing a joint account owner, must be evidenced in writing. The Credit Union reserves the right to waive any term in this Agreement. Any such waiver shall not affect the Credit Union's right to enforce any right in the future.

**Effect of Notice.** Any written notice you give the Credit Union is effective when it is actually received by the Credit Union. Any written notice the Credit Union gives to you is effective when it is deposited in the U.S. mail, postage prepaid, and addressed to you at your statement mailing address. Notice to any one account owner is considered notice to all owners of the account. The Credit Union reserves the right to accept oral instructions, and you agree to hold the Credit Union harmless from any liability arising as a result of such instructions.

**Electronic Notices.** If you have agreed to receive notices electronically we may send you notices electronically and discontinue mailing paper notices to you until you notify us that you wish to reinstate receiving paper notices.

**Taxpayer Identification Number (TIN) and Backup Withholding.** If your account is or becomes subject to backup withholding, the Credit Union is required by law to withhold and pay the Internal Revenue Service (IRS) a required percentage of payments of dividends, and certain other payments under certain conditions. Your failure to furnish a correct taxpayer identification number (TIN) or meet other applicable requirements may result in backup withholding as well as civil or criminal penalties. If you refuse to provide your TIN, the Credit Union may suspend the opening of your account.

## TRUTH-IN-SAVINGS DISCLOSURE

**Share Certificated Accounts.** Except as specifically described, the following disclosures apply to all accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

**Rate Information.** The annual percentage yield is a percentage rate that the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

**Dividend Period.** For each account, the dividend is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.

**Dividend Compounding and Crediting.** The compounding and crediting frequency of dividends are stated in the Rate Schedule. Balance Information.

**Balance Information.** The minimum balance requirements applicable to each account are set forth in the Rate Schedule. To open any account, you must deposit or already have on deposit at least the par value of one (1) full share in a Regular Share account. The par value amount is stated in the Fee Schedule. Some accounts may have additional minimum opening deposit requirements. For Share Certificate accounts, dividends are calculated by the average daily balance method, which calculates dividends by applying a periodic rate to the average daily balance in the account for the individual period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

**Accrual of dividends.** For Share Certificate accounts, dividends will begin to accrue on no cash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, accrued dividends will not be paid.

**Transaction Limitations.** For Share Certificate accounts, after your account is opened you may make withdrawals subject to the early withdrawal penalties below.

**Maturity.** Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.

**Early Withdrawal Penalty.** We may impose a penalty if you withdraw from account before the maturity date. **Amount of Penalty.** For Share Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Term of 6 months or more but less than one year	60 days' dividends
Terms of 12 months or more but less than two years	90 days' dividends
Terms of 24 months or more	180 days' dividends

**How The Penalty Works.** The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividend has already been paid, the penalty will be deducted from the principal.

**Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- I. When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
- II. Where the account is an individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment; or where the account is a Keogh Plan (Keogh) provided that the depositor forfeits an amount of at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59 ½ or becomes disabled.

**Automatically Renewal Account.** This account will automatically renew at maturity. You may prevent renewal if you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any) or we receive written notice from you within the grace period mentioned below, if any. We can prevent renewal if we mail notice to you at least 30 calendar days before maturity. If either you or we prevent renewal, dividends will not accrue after final maturity.

Each renewal term will be the same as the original term, beginning on the maturity date. The dividend rate will be the same we offer on new term share accounts on the maturity date which have the same term, minimum balance (if any) and other features as the original term share account.

You will have a grace period of ten (10) calendar after maturity to withdraw the funds without being charged an early withdrawal penalty.

**Non-automatically Renewal Account:** This account will not automatically renew at maturity. If you do not renew the account, dividends will not accrue after maturity.

**Nontransferable/Nonnegotiable.** Your account is nontransferable and nonnegotiable.

**Share and Share Draft Accounts.** Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

**Rate Information.** The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on this dividend rate and frequency of compounding for an annual period. For Share Savings, Super Share Draft, Money Market, IRA Money Market, IRA Share Savings, Special Share Savings, Christmas/Vacation Club and Kids Club accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yield as of the last dividend period declaration date, which is set forth in the Rate Schedule.

**Nature of Dividends.** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

**Dividend Compounding and Crediting.** The compounding and crediting of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

**Accrual of Dividends.** For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends.

**Balance Information.** To open any account, you must deposit or already have on deposit at least the par value of one (1) full share in a Regular Share account. The par value amount is stated in the Fee Schedule. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are stated in the Rate Schedule. For Share Savings, Super Share Draft, Money Market, IRA Money Market, IRA Share Savings, Special Share Savings, Christmas/Vacation Club and Kids Club accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period if the minimum average daily balance is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated on the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the balance in the account for each day of the periodic and dividing that figure by the number of days in the period.

**Account Limitations.** For Shares Savings, IRA Money Market, Special Share, Christmas/Vacation and Kids Club accounts, you may make no more than six (6) transfers and withdrawals from your account to another of your accounts or to a third party in any month by means of a preauthorized automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. For the Money Market account, you may make no more than three (3) transfers and withdrawals from your account to another of your accounts or to a third party in any month by means of a preauthorized automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Special Share accounts, the entire balance will be paid to you by check or transferred to another account of yours on or after the first Friday of November and the account will remain open. If you wish to access the funds in your account, you may close it. You may not reopen your account until January of the following year. For Super Share Draft, Share Draft/Checking and IRA Share Savings accounts, no account limitations apply.

**Fees for Overdrawing Account.** Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction or one-time debit transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy disclosures for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

For ATM and one-time debit transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

**Bylaw requirements:** You must complete payment of \$25.00 in your Share Savings account as a condition of admissions to membership.

**National Credit Union Share Insurance Fund:** Member accounts in the Credit Union are federally insured by the National Credit Union Share Insurance Fund.

## STATEMENTS

**Contents.** If the Credit Union provides a statement for your account, you will receive a periodic statement of all transactions and activity on your account during the statement period. If a periodic statement is provided, you agree that only one statement is necessary for a multiple party account. For checking accounts, you understand that when paid, your original check becomes property of the Credit Union. Copies will be retained by the Credit Union and made available upon your request and subject to the fee set forth in the "Fee Schedule."

**Examination.** You are responsible for examining each statement and reporting any irregularities to the Credit Union. The Credit Union will not be responsible for any forged, altered, or unauthorized item drawn on your account if (1) you fail to notify the Credit Union within thirty (30) days of the mailing date of the earliest statement and availability of checks containing any forgery, alteration, or unauthorized signature on the item; or (2) any items are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of a facsimile signature machine.

**Notice to Credit Union.** You agree that the Credit Union's retention of checks does not alter or waive your responsibility to examine your statements and check copies or the time limit for notifying the Credit Union of any errors. The statement will be considered correct for all purposes and the Credit Union will not be liable for any payment made or charge to your account unless you notify the Credit Union in writing within the above time limit after the statement and checks are made available to you.

**Inactive and Abandoned Accounts.** If you have an account that you have not made a withdrawal from, deposit to, renewal of, or transfer involving your account for more than 1 year (12 months) the Credit Union may classify your account as inactive and may charge an inactive account service fee as allowed by applicable law and set forth on the "Fee Schedule". If your account is classified as inactive and the Credit Union has been unable to contact you by regular mail during this period, the Credit Union may classify your account as dormant and may charge a dormant account service fee as allowed by law and set forth on the "Fee Schedule". Thereafter, dividends or interest will not be paid on the account if the balance falls below any minimum balance requirement. If a deposit or withdrawal has not been made on the account, you have not otherwise indicated an interest in the account, or the Credit Union has had no other contact with you within three (3) years as required by the Uniform Unclaimed Property Act, the account will be presumed to be abandoned. Funds in abandoned accounts will be remitted in accordance with state law. Once funds have been turned over to the state, the Credit Union has no further liability to you for such funds. If you choose to reclaim such funds, you must apply to the appropriate state agency.

**Death of Account Owner.** The Credit Union may require the survivor or other claimant to the account to produce certain documents before releasing the funds in the account. The Credit Union may continue to honor all transfers, withdrawals, deposits, and other transactions on the account until the Credit Union learns of an account owner's death. Once the Credit Union learns of a member's death, the Credit Union may pay checks or honor other payments or transfer orders authorized by the deceased member for a period of ten (10) days unless the Credit Union receives instructions from any person claiming an interest in the account to stop payment on the checks and other items. You agree that the Credit Union can require that anyone who claims funds in your account after your death to indemnify the Credit Union for any losses resulting from honoring that claim.

**Termination of Account.** The Credit Union may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the funds in the account; (4) any account checks are lost or stolen; (5) there are excessive returned unpaid items

not covered by an overdraft protection plan; (6) any owner or authorized user causes the Credit Union to suffer a loss, or if there has been any misrepresentation or any other abuse of any of your accounts. Your account removal or termination will not affect your responsibility for any loan obligations or prior transactions. The Credit Union is not responsible for payment of any check, withdrawal, or other item once your account is terminated; however, if the Credit Union pays a check or other item after termination, you agree to reimburse the Credit Union for payment.

**Termination of Membership.** You may terminate your membership at the Credit Union after giving written notice of your intent to withdraw. You may be expelled if there has been any misrepresentation or any other abuse on any of your other accounts or if you fail to comply with the Credit Union policies, procedures, or bylaws, conduct yourself in a threatening or abusive manner to Credit Union personnel, or willfully damage Credit Union property. You may be denied service or expelled from membership for any reason allowed by applicable law, including causing a loss to the Credit Union or violating any terms of membership. If you are expelled you may not be a joint account owner on another account.

**Special Account Instructions.** You may request the Credit Union facilitate certain Estate Account or court-ordered account arrangements. However, because the Credit Union does not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask the Credit Union to follow instructions that the Credit Union believes might expose it to claims, suits, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, the Credit Union may refuse to follow your instructions or may require you to post a bond to indemnify the Credit Union. Any item presented with a full payment legend must be presented in person to a Credit Union officer. Otherwise, payment is accepted with full reservation of rights. Account changes requested by you, or any account owner, must be evidenced by a signed Membership Application and accepted by the Credit Union. The Credit Union will not recognize the authority of someone to whom you have given power of attorney unless it is a Military Power of Attorney less than 1 year old.

**Internet Gambling and Other Illegal Activities.** You agree that you are not engaged in unlawful internet gambling or any other illegal activity. You agree that you will not use any of your accounts, access devices or services for unlawful internet gambling or other illegal activities. We may terminate your account relationship if you engage in unlawful internet gambling or other illegal activities.

**Severability.** In the event that any paragraph of this Agreement or any portion thereof is held by a court to be invalid or unenforceable for any reason, the other paragraphs and portions of this Agreement shall not be invalid or unenforceable and will continue in full force and effect.

**Enforcement.** You agree to be liable to the Credit Union for any liability, loss, or expense as provided in this Agreement that the Credit Union incurs as a result of any dispute involving your accounts or services. You authorize the Credit Union to deduct any such liability, loss, or expense from your account without prior notice to you. In the event either party brings legal action to enforce the Agreement or collect any overdrawn funds on accounts accessed under this Agreement, the prevailing party shall be entitled, subject to applicable law, to payment by the other party of its reasonable attorney fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions, if applicable.

**Governing Law.** This Agreement is governed by the Bylaws of the Credit Union, federal laws and regulations, the laws and regulations of the state in which the Credit Union's main office is located and local clearinghouse rules, as amended from time to time. Any disputes regarding this Agreement shall be subject to the jurisdiction of the court of the city in which the Credit Union is located.

**Negative Information Notice.** We may report information about your loan, share or deposit accounts to credit bureaus. Late payments, missed payments, or other defaults on your accounts may be reflected in your credit report.

## FUNDS AVAILABILITY POLICY DISCLOSURE

**This Disclosure describes your ability to withdraw funds from all your accounts at the Credit Union except for funds deposited to certificate accounts. The Credit Union reserves the right to delay the availability of funds deposited to certificate accounts for periods longer than those disclosed in this policy. Please ask us if you have a question about which accounts are affected by this policy.**

**General Policy.** Our policy is to delay the availability of funds from your check and check deposits. During the delay, you may not withdraw the funds in cash and we will not use the funds to pay checks that you have written.

**Determining the Availability of a Deposit.** When we delay the availability of a deposit the length of the delay is determined by counting the business days from the day of your deposit. Every day is a business day except Saturdays, Sundays and federal holidays. If you make a deposit before 5:00 p.m. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after our cutoff hour or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

The length of the delay varies depending on the type of deposit and is explained below.

**Same-Day Availability.** Funds from electronic direct deposits to your account as well as funds from the following deposits will be available on the same business day that we receive the deposit:

- ❖ U.S. Treasury checks that are payable to you
- ❖ Wire transfers
- ❖ Checks drawn on the Credit Union

**Same-Day Availability for Certain Deposits made in Person.** Funds from the following deposits are available on the same business day that we receive your deposit, if you make the deposit in person to one of our employees:

- ❖ Cash
- ❖ State and local government checks that are payable to you
- ❖ Cashier's, certified, and teller's checks that are payable to you, if you use a special deposit slip available from each teller location
- ❖ Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available by the second business day after the day we receive your deposit.

**Availability of Other Check Deposits.** The first \$225.00 from a deposit of other checks will be available by the first business day after the day of your deposit. The remaining funds will be available by the second business day after the day of your deposit. For example, if you deposit a local check of \$700.00 on a Monday, \$225.00 of the deposit will be available by Tuesday. The remaining \$475.00 will be available by Wednesday.

**Holds on Other Funds.** If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this Disclosure for the type of check that you deposited.

**Longer Delays May Apply.** We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- ❖ We believe a check you deposit will not be paid.
- ❖ You deposit checks totaling more than \$5,525.00 on any one (1) day.
- ❖ You deposit a check that has been returned unpaid.
- ❖ You have overdrawn your account repeatedly in the last six (6) months.
- ❖ There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

**Special Rules for New Accounts.** If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks will be available on the next business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you and you may have to use a special deposit slip. The excess over \$5,525.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a

U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

**Deposits at Non-Proprietary ATMs.** We do not allow deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate. This rule does not apply at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines.

**Cash Withdrawal Limitation.** We place certain limitations on withdrawals in cash. In general, \$225.00 of a deposit is available for withdrawal in cash by the first business day after the day of deposit. In addition, a total of \$450.00 of other funds becoming available on a given day will be available for withdrawal in cash at or after 5:30 p.m. that day. Any remaining funds will be available for withdrawal in cash by the following business day.

**Foreign Checks.** Checks drawn on financial institutions located outside the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this Disclosure. Generally, the availability of funds for deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institutions upon which it is drawn.

are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Fee Schedule.

For other types of transactions, if the balance in your account is not sufficient to pay the transaction amount, the credit union will pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts or loan accounts that you have established with the Credit Union. Your accounts can be accessed under Online Banking via personal computer. Online Banking will be available for your convenience twenty-four (24) hours per day. This service may be interrupted for a short time each day for data processing.

We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction, and there may be limits on the duration of each access.

- ❖ There is no limit to the number of inquiries you may make in any one day.
- ❖ We do not charge for direct deposits to any type of account.
- ❖ We do not charge for preauthorized payments from any account.
- ❖ See "transfer limitations" that may apply to these transactions.

#### **Preauthorized EFTs.**

- ❖ **Direct Deposit.** If you have arranged to have direct deposit to your account at least 60 days from (i) your employer or (ii) the Treasury Department or (iii) other financial institutions, you can call the Credit Union at (972) 218-9266 to find out if the direct deposit has been made. The Credit Union will accept direct deposits of your paycheck or of federal recurring payments, such as Social Security, to your members account.
- ❖ **Preauthorized Debits.** Upon instruction, we will pay certain recurring transactions from your share, and share draft account.
- ❖ **Stop Payment Rights.** If you have arranged in advance to make regular electronic fund transfers out of your account(s) for money you owe others, you may stop payment of preauthorized transfers from your account. You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within fourteen (14) days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding fourteen (14) days after it has been made.
- ❖ **Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.
- ❖ **Liability for Failure to Stop Payment of Preauthorized Transfers.** If you order us to stop payment of a preauthorized transfer three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.
- ❖ See "transfer limitations" section for any transactions.

**Electronic Check Conversion/Electronic Returned Check Fees.** If you pay for something with a check or share draft you may authorize your check or share draft to be converted to an electronic fund transfer. You may also authorize merchants to electronically debit your account for returned check fees. You are considered to have authorized these electronic funds transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

**Transfer Limitations.** For all Share Accounts, you may make no more than three (3) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed.

#### **CONDITIONS OF EFT SERVICES**

**Ownership of Cards.** Any Card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the Card, immediately according to instructions. The Card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your Card or account to another person.

**Honoring the Card.** Neither we nor merchants authorized to honor the Card will be responsible for the failure or refusal to honor the Card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

**Foreign Transactions.** Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Mastercard from a range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Mastercard itself receives or the government-mandated rate in effect for the applicable central processing date. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.

A fee of 1 percent of the amount of the transaction, calculated in U.S. dollars, will be imposed on all foreign transactions, including purchases, cash withdrawals and credits to your account. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the United States, with the exception of U.S. military bases, U.S. territories, U.S. embassies or U.S. consulates.

**Security of Access Code.** You may use one or more access codes with your electronic funds transfers. The access codes issued to you are for your security purposes. Any codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the Card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

**Joint Accounts.** If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any share and share draft or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and hereby is authorized by every other joint account owner to, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

**Fees and Charges.** There are certain charges for electronic funds transfer services. From time to time, the charges may be changed. We will notify you of any changes as required by applicable law. If you use an ATM not operated by us, you may be charged a fee by the ATM operator and by any national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer). The ATM surcharge will be debited from your account if you elect to complete the transaction or continue with the balance inquiry.

**Refer to the separate "Fee Schedule" for current fees**

**Member Liability.** You are responsible for all EFT transactions you authorize. If you permit someone else to use an EFT service, your Card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts.

Tell us AT ONCE if you believe your card has been lost or stolen or if you believe someone has used your Card or PIN (Personal Identification Number) or otherwise accessed your accounts without your authority. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If a transaction was made with your Card or Card number without your permission, you will have no liability for the transaction, unless you were grossly negligent in the handling of your account or card. For all other EFT transactions, including ATM transactions or if you were grossly negligent in the handling of your account or card, your liability for an unauthorized transaction is determined as follows.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your Card, and we can prove we could have stopped someone from using your Card without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods. If you believe your Card has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call us at:

(972) 218-9266

or write to:

Corner Stone Credit Union  
130 Historic Town Square  
Lancaster, TX 75146

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

### **RIGHT TO RECEIVE DOCUMENTATION**

**Periodic Statements.** Transfers and withdrawals made through any ATM or POS terminal, Check Card transactions, audio response transactions, preauthorized EFTs or electronic/PC transactions will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

**Terminal Receipt.** You have the option to receive a receipt at the time you make any transaction (except inquiries) involving your account using an ATM, POS terminal, or Check Card transaction with a participating merchant. However, you may not get a receipt if the amount of transfer is \$15.00 or less.

**Direct Deposit.** If you have arranged to have a direct deposit made to your account at least once every sixty (60) days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by using Online Banking or by calling (972) 218-9266. This does not apply to transactions occurring outside the United States.

**Account Information Disclosure.** We will disclose information to third parties about your account or the transfers you make.

- ❖ As necessary to complete transfers;
- ❖ To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- ❖ If your account is eligible for emergency cash and/or emergency card replacement services, and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested services(s).
- ❖ To comply with government agency or court orders; or
- ❖ If you give us your written permission.

**Business Days.** Our business days are Monday through Friday, excluding holidays.

**Credit Union Liability and Preauthorized Payments.** If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events.

- ❖ If, through no fault of ours, there is not enough money in your accounts to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy, or if the transaction involves a loan request exceeding your credit limit.
- ❖ If you used your Card or access code in an incorrect manner.
- ❖ If the ATM where you are making the transfer does not have enough cash.
- ❖ If the ATM was not working properly and you knew about the problem when you started the transaction.
- ❖ If circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction.
- ❖ If the money in your account is subject to legal process or other claim.
- ❖ If funds in your account are pledged as collateral or frozen because of a delinquent loan.

- ❖ If the error was caused by a system of any participating ATM network.
- ❖ If the electronic transfer is not completed as a result of your willful or negligent use of your Card, access code, or any EFT facility for making such transfers.
- ❖ If the telephone or computer equipment you use to conduct audio response or electronic/PC transactions is not working properly and you know or should have known about the breakdown when you started the transaction.
- ❖ Any other exceptions as established by the Credit Union.

**Stop Payment Rights.** If you have arranged in advance to make regular electronic fund transfers out of your account(s) for money you owe others, you may stop payment of preauthorized transfers from your account. You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within fourteen (14) days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding fourteen (14) days after it has been made.

**Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.

**Notices.** All notices from us will be effective when we have them or delivered them to the appropriate address in the Credit Union's records. If you have agreed to receive notices electronically we may send you notices to the appropriate email address in the Credit Union's records. Notices from you will be effective when received by the Credit Union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty-one (21) days before the effective date of any change. Use of this service is subject to existing regulations governing the Credit Union account and any future changes to those regulations.

The following information is a list of safety precautions regarding the use of Automated Teller Machines (ATM) and Night Deposit Facilities.

- ❖ Be aware of your surroundings, particularly at night.
- ❖ Consider having someone accompany you when the ATM or night deposit facility is used after dark.
- ❖ If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction.
- ❖ Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your money in your purse or wallet. Count the cash later in the safety of your car or home.
- ❖ If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your Card or deposit envelope, and leave.
- ❖ If you are followed after making a transaction, go to the nearest public area where people are located.
- ❖ Do not write your personal identification number or code on your ATM Card.
- ❖ Report all crimes to law enforcement officials immediately.

**Billing Errors.** In case of errors or questions about electronic funds transfers from your share and share draft accounts, telephone us at the following number or send us a written notice to the following address as soon as you can. If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will tell you the results of our investigation within ten (10)\* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) \*\* days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)\* business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. **NOTE.** If the error you assert is an unauthorized Mastercard transaction, other than a cash disbursement at an ATM, we will credit your account within ten (10) business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within ten (10) business days.

**Termination of EFT Services.** You may terminate this Agreement or any EFT service under this Agreement at any time by notifying us in writing and stopping your use of your Card and any access code. You must return all Cards to the Credit Union. You also agree to notify any participating merchants that authority to make bill payment transfers has been revoked. We may also terminate this Agreement at any time by notifying you orally or in writing. If we terminate this Agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this Agreement has been terminated and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your Card or access code for any EFT service. Whether you or the Credit Union terminates this Agreement, the termination shall not affect your obligations under this Agreement for any EFT made prior to termination.

**Governing Law.** This Agreement is governed by the Bylaws of the Credit Union, federal laws and regulations, the laws and regulations of the state in which the Credit Union's main office is located and local clearinghouse rules, as amended from time to time.
